

**JARC SKYWARN NET  
WX5JAN  
Station Closing (VHF & UHF)**

**All stations, this frequency, this is WX5JAN at the National Weather Service in Jackson, Mississippi. At this time National Weather Service personnel have informed us, that the weather situation in the Jackson National Weather Service warning area has decreased in severity. With that in mind, we will begin securing SKYWARN net operations.**

**We would like to take this opportunity to thank John, KA5SBK, and Johnny, W5PFR for the use of our primary SKYWARN repeaters. We would also like to thank all linked repeater owners and trustees for the use of their respective repeaters.**

**And last but not least we would like to thank all Amateur Radio spotters and support stations in the field, that really make SKYWARN a source of valuable information to the National Weather Service.**

**At this time, all spotter and support stations in the field are free to secure.**

**All stations please pause to allow a clear frequency for linked repeater owners and trustees to disconnect the repeater links and to return their repeaters to normal amateur use.**

**(Pause for links to be shutdown)**

**This is \_\_\_\_\_, operating WX5JAN, officially closing the Mississippi  
(Your Call)  
SKYWARN net at: \_\_\_\_\_ (AM/PM).  
(Closing time)**

**This is WX5JAN clear.**
